Shreya Tiwari

👤 About Me

Being an enthusiastic learner, I see myself as an explorer!!
Always curious and eager to learn more!!
I'm Shreya Tiwari, 3rd year BCA student.
I am currently focusing on languages & also explored the Web Development domain, and know front-end development at a decent level.

💼 Project

PG LIFE WEBSITE

- The PG Life website aims to connect users seeking PG accommodations with available listings.
- Technologies:
- The website is built using technologies like PHP, MySQL, HTML, and potentially JavaScript, Bootstrap, and React.
- Functionality:
- User Accounts: Users can create accounts to manage their preferences and search history.
- PG Search and Filtering: The website allows users to search for PG accommodations based on various criteria, such as location, price, and amenities.
